Dear Parents/Carers,

Welcome back to a new academic year and a very warm welcome to our new Beech Class and all our other new families and children that have joined us since the beginning of term.

Children have returned calm and ready for learning and it is great to see them settle into their new year groups with such ease.

They are all looking super smart in their new uniform and we thank you for supporting us with this.

This is the first newsletter of this academic year. This is because, as a mark of respect for the late Queen Elizabeth II, most communication from school stopped during the period of national mourning. We want to reassure you that children were kept informed of what was happening during this historic time and comforted if needed.

We would like to remind you that a **PE kit is compulsory** and must consist of plain, dark coloured shorts, a plain, white t-shirt and trainers/plimsolls. Class Teachers will be speaking to you directly if they notice that PE kits are not quite right. Please remember that we have lots of pre-loved items, including PE kits, so please just ask. We will also re-send the discreet google form where you can request items.

Our school environment is looking fantastic too! Our team have worked hard to ensure that classrooms are inviting for children with enticing book corners.

Reading remains highly important this year, so please read daily with your child – it really does have impact!

Attendance remains one of our most highest priorities this year and we are pleased to see that the Government shares our view. They have issued really clear guidance about the importance of attending school every day and the positive impact regular attendance has on children. Shortly, we will circulate a leaflet explaining the Government's focus and what that means for families here at Alderwood.

Have a lovely weekend,

Mrs Cutajar
