Don't forget to check out our website and follow us on  & 

Dear Parents/Carers,

This week, we have really seen the children settle into their new year groups and embrace all learning opportunities across our school. We are working hard to mark Black History Month and we can reveal that children will be immersed in the life of a key figure in history.

We have been out and about on trips already this year with Oak Class visiting L'oreal HQ, Birch and Willow Classes visiting a local secondary school and Sycamore Class making pizza at Pizza Express.

We are also looking forward to regularly having parents on site again. Please remember that Willow Class will be leading our first Class Assembly of the year next Wednesday at 10.30am and we warmly invite all parents to our Harvest Celebration on Friday 14th October at 10.15am. We want to reiterate that we are only asking for donations if you can. We are acutely aware of the cost of living crisis that is affecting us all and we do not want to add any extra pressure to any of our families.

You will recently have received an email outlining the importance of regular attendance. It is high on the Government's agenda this year to ensure that all children are accessing school every day that they are able to. Please be assured that we will always call parents if a child deteriorates or becomes unwell during the school day. Anything lower than 96% attendance is a cause for concern and having a two week holiday during term time, will automatically reduce your child's attendance to 95%. We are confident that we can continue to work together to ensure **good habits are in place for good attendance.**

We would like to remind you of the deadline to submit your secondary school application is 31st October. Please do contact us if you need any support with this before we break up for half term.

In light of recent local events involving the house fire, please rest assured that we have spoken to the children about the importance of good fire safety. Please ensure that you have smoke alarms fitted and that they are in good working order. We send our love and support to the family involved and all those affected by the incident.

Finally, our Macmillan Coffee Morning raised over £100 - THANK YOU on behalf of this worthy cause!

Have a lovely weekend,

Mrs Cutajar

Dates for your Diary

Tuesday 4th October -
Year 2 trip to Prince Philip Maritime Collections Centre

Wednesday 5th October -
Year 2 Class Assembly

Tuesday 11th October -
New Reception Open day for September 2023 intake at 2pm
