Dear Parents/Carers,

Welcome back to our Summer Term!

Just take a look at this beautiful blossom tree for confirmation that summer is indeed just around the corner.

It is very exciting that Marathon day is upon us! Miss Shayler has completed her training and is ready for Sunday. Why not come up to start line in Blackheath to cheer her on?

The month of May is an important time in primary schools as both Oak Class and Willow Class complete their statutory assessments. It is really important that children in Willow Class are in school every day throughout this month as Teachers can choose when best to do the assessments with the children. Oak Class complete their assessments during the week of 8th May. Due to the coronation, assessments will actually begin on Tuesday 9th May. Please do check out the short information video that we recorded for parents. This can be found on our website.

We still have some items of uniform available at reduced prices - please do take advantage of this offer and stock up for September!

As we are now in the summer term, please note that Chartwells are offering their summer menu.

This week, families received their Reception Class offers. We are delighted to be full again this year and look forward to welcoming younger siblings and new families to our school.

It is with regret, that Miss Thatcher has made the difficult decision to resign from her teaching post here at Alderwood. We have written to relevant classes with further information. I trust that you will join us in wishing her well.

Have a lovely weekend,

Mrs Cutajar
