Dear Parents/Carers,

What a great half term we've had. Hasn't it flown by?

This week, Elm Class transported us to the high seas with their story of Nelson and the Battle of Trafalgar. Elm Class really hit the right humour note!

We would like to remind you that regular attendance remains one of our top priorities. It is vitally important that your child attends school every day. We would like to kindly ask that only essential appointments are taken during the school day and regular check ups, such as a 6 monthly dental check, is booked for the holidays.

Next academic year, we will once again have the support from the Attendance Advisory Service. They will monitor attendance and meet with parents where necessary.

PE is an important part of our curriculum and all children require their own PE kit in school throughout the week. For younger children a weekly, or even a half termly, wash is fine. Children in Palm and Oak Classes may feel more comfortable with a more regular kit wash. This will help you at home with the washing pile and it will also ensure that children have their kit in school for impromptu lessons, especially as the weather is warming up.

Huge congratulations to Dorian and Lyra who won the 'Bee Competition'. Entries were judged by Vickie, from Chartwells, and prizes are on their way!

Please note that after half term, we will communicate with parents of children in Palm Class about secondary transfer. Please do begin to think about possible schools and start looking on individual school websites for information. Please remember that we are here to help you in any way we can from arranging visits, answering questions and helping you complete the transfer form. Look out for further information after half term!

Mrs Ahmad leaves us today as her baby is due in early June. Unfortunately, Mrs Ahmad has not been feeling too well, so she hasn't been in school for a while. I know that you will join me in wishing her well for this exciting adventure.

Have a lovely weekend,

Mrs Cutajar

### Dates for your Diary

**Monday 5th June -  
Children return to school**

**Monday 5th June -  
All After school clubs start back**

**Monday 5th to Friday 9th June -  
Multiplication Check for Year 4**

New Reception intake Meeting  
at 2.30pm

Wednesday 7th June -  
Willow Class Assembly

Friday 9th June -  
Chartwells World Ocean Themed  
Lunch

**Monday 12th to Friday 16th June  
- Phonic Check for Year 1**

### Peaky Baker!

Total Distance: 222.63km  
No. Days to go: 27

Ms Baker says  
'Wasn't really feeling it on  
Sunday morning, but the thought  
of being with my friends made  
me leap out of bed!'

What a great piece of advice for  
when we may be feeling like a  
duvet day!
