Dear Parents/Carers,

What a great half term we have had here in school and it has ended so brilliantly with our Parents' Evenings and our Harvest Festival.

This half term, some stunning learning has been produced by all classes around our termly whole school project; The Tempest. We can't wait to show you our outcomes when you are next in school!

Thank you to everyone who attended Parents' Evening this week. We heard so many positive comments about our learning environment. We pride ourselves on creating beautiful places for children to learn and we firmly believe that this supports children to uphold our expectations around behaviour.

Today, we finished the term with our Harvest Festival. We

were amazed at the donations we received and truly thank you all. We collected an amazing 131.6kg of items. All donations were taken

to our local foodbank by members of Oak Class, who checked the items, logged them and stacked them ready for use. We would like to thank members of the Avery Hill Christian Fellowship who supported our assembly again this year.

Can we please remind all parents/carers not to enter through our building without being escorted by a member of staff. This is to ensure the safety of everyone during those busy periods, particularly at the beginning and end of the day.

We cannot believe that our wonderful Beech Class have completed their first half term in school. All children have completed their statutory baselines and are settling in well with our school community. Well done, Beech Class!

Next half term, look out for an opportunity to get to know Mrs Musa better by attending a coffee drop in session; there may even be cake! Whether you already know her well, or don't feel that you need her support, pop along anyway. It is always great to see you! Currently, Mrs Musa is working hard with Mrs O'Donnell to set up our popular 'Stay & Play' again. You may remember this from before the pandemic.

All that remains is to wish you a great half term and we will see you all on Monday 30th October,

Mrs Cutajar
