The Graduated approach – What is SEND support?

- What support is ordinarily available for children in school who DON'T have an Education Health Care Plan
- What is the role of the school SENCO?

This session is particularly relevant for families of children who are having their needs met without an EHCP, and those who are at the earliest stages of their child's needs being identified.

Wednesday 7th February 10-30-11.30
