**Head of School:** David Guy

Dear Parents/Carers

## **Re: Year 6 Personal, Social, Health and Economic (PSHE) Programme**

As you may be aware, part of our curriculum is learning about puberty and growing up. This week, Year 6 will be discussing puberty – describing how and why the body changes during puberty in preparation for reproduction.

We always deal with topics of this nature sensitively and with the upmost care and respect for all the children involved.

This is an opportunity for us to answer any questions that the children may have and for you to speak to your child about growing up, as they learn about it in school.

If you would like to know more about the content of these lessons, or have any questions or concerns, please do speak to Mr Harrison.

Yours sincerely,

Mr D. Guy  
Head of school
