Dear Parents/Carers,

It has been a wonderfully productive week here at Alderwood, All the children are fully immersed in our whole school project, based on The Last Zookeeper, and working hard to create outcomes they are proud of. A great team effort Alderwood!

Thank you to everyone who attended our Macmillan Coffee Morning today. We hope you enjoyed the wide selection of cakes available—all our donations will be gifted to this worthy charity. If you would like to know more about why we hosted a coffee morning today, please click the following link: [Macmillan Cancer Support | The UK's leading cancer care charity](#). We will be having a further cake sale after school on Monday.

This week, both Palm and Maple Class visited the Natural History Museum, in South Kensington. I have since heard from parents and carers that their children would like to visit the museum again! As a school, we are always mindful of the costs associated with school trips and try to keep them as low as possible.

This evening, you will be able to sign up for a Parents' Evening meeting with your child's teacher, by visiting MyChildAtSchool. If you encounter any problems, a member of the Office Team will be able to assist you next week. We look forward to seeing you all on either the 16th or 17th October.

Next week, we will be delivering the second of our Emotion and Coaching workshops (it will be a follow-up to the previous session) for parents and carers of children in FS2 and KS1. As before, this will be led by an Educational Psychologist, from the Royal Borough of Greenwich. Pop along, it will be worth your while!

Finally, you may have noticed that our wonderful Mrs Blackabee has not been in her usual spot since the start of the term. Unfortunately, she has broken her arm! We are wishing her well and, rest assured, she will be returning soon!

Wishing you all a lovely weekend. Very best wishes,

Mr Guy

Dates for your Diary

Friday, 27th September

Macmillan Coffee Morning (9am)

Tuesday, 1st October
