Dear Parents/Carers,

The rain didn't dampen our spirits this morning, as our amazing choir performed their 'One Love' concert for their parents and families. Highlighting the importance of love and unity through their songs, they demonstrated what can be achieved when you really set your mind to something. A huge thank you to Mr Gregeory for all his time and efforts too. These opportunities to sing in front of a live audience really do help children to build their self-esteem and confidence.

On Wednesday, we also invited families to Elm Class's assembly. Once again, the children sang beautifully, whilst taking us on a whistle stop tour of past civilisations. The audience clearly enjoyed learning about the mummification process!

It was Children's Mental Health Week this week. In Whole School assemblies, we spoke about the importance of belonging, and how this plays a vital role in our mental health and well-being. We discussed how important it is to feel that you have a place where you are always welcome and valued. We also discussed how belonging meant feeling included, not left out, and feeling like I am meant to be there with no stresses or worries—feeling accepted as you for who you are.

Today, the children enjoyed a pancake—as pancake day had arrived early for us all. They looked delicious!

I must give a mention to Mrs Cobbold and her sewing group this week! They have been having great fun at their after school club!

Finally, thank you all for your tremendous efforts with ensuring your child is in school every day. We have finished the term with **95% attendance** as a whole school. Hopefully, next term, we will be able to achieve 96% or more! This week, the class with the highest attendance is Willow Class with 97.9%! Well done team Willow! I hope you all have a wonderful half-term!
Very best wishes,

Mr Guy

Dates for your Diary

Half term

Monday, 23rd February
Children return to school

Thursday, 26th February
Vision Screening for Reception

Thursday, 26th February
Showcase your sound—
Blackheath Music Halls

Please can I kindly ask that adults refrain from using vapes directly outside the school gates, as part of our whole school approach to health and well-being.
Thanks for your support.
