

Weekly Newsletter

Friday, 13th March 2026

Dear Parents/Carers,

Don't forget to check out our website
and follow us on **Instagram**

There has been an inkling of warm weather this week, which has got me thinking: has Spring officially started? [When does spring start in 2026? - BBC Weather](#) What I do know is that the daffodils are in full bloom. And hopefully the spring bulbs which your child brought home earlier in the year have been steadily growing. Today I heard that the **daffodil judge** will be visiting next week, on Thursday, 19th March, to award bronze, silver and gold certificates to children. Please can you ensure that your child brings in their Daffodil next week—anytime before, or on, Thursday. Good luck!

We are pleased to announce the selection of our new Year 4 **Computing Ambassadors**. This is an important role, the Computing Ambassadors will be helping to promote computing across the school. They will be supporting the Computing Curriculum Lead (Mrs O'Donnell), through the work they do - including helping to deliver assemblies, highlighting the importance of staying safe online, distributing and preparing the iPads and Chromebooks for computing lessons, and supporting younger classes to logon and access learning. The Computing Ambassadors are already making a positive contribution to computing across the school.

In other news...

To mark **Comic Relief** next week, we are inviting children to wear their own clothes on Friday, 20th March. If they would like to wear a red nose too, they are more than welcome! We will be accepting donations of £1 which we will share with the charity.

Wishing you all a lovely weekend.
Very best wishes,

Mr Guy

Dates for your Diary

Monday, 13th April

Children return to school

If you need childcare before or after school, you may wish to get in touch with Basecamp, our out-of-school club. You can find further information here. [Base Camp Breakfast club, after school and school holiday child Care](#)

Whole School Attendance

This week, our whole school attendance was 94.8%. We are aiming for 96% or higher!

The class with the **highest attendance** for the second week in a row is **Elm Class with a fantastic 99.2%!**

Well done everyone once again. Can you get three in a row?
