

Dear Parents/Carers,

What a way to end the week! Thank you so much for your wonderful support, both today and yesterday, during our Reception and KS1/KS2 Sports Days. The weather was glorious, and there was just enough shade for the children. Both events really did demonstrate our wonderful spirit and strength, as a school community! Once again, well done to the parents who took part in the parent relay race today—it was wonderful to witness such bravery! Here are just a few photos taken over the past two days...

We must give a special thank you to Richard and his team from Teach School Sport (TSS), for the brilliant events they managed and led - both today and yesterday! Richard and his team work tirelessly with us throughout the year, coaching and developing our teaching staff, to ensure your children have access to incredible PE sessions, and extra curricular activities. Thanks again Richard!

Luckily, the heat wasn't too intense this morning. Next week, it seems the temperatures will rise again. Please do remember to send your child into school wearing sun cream, and with hats and water bottles. We will ensure that your child remains as cool as possible throughout the day. With only nine school days to go, we will make the most of our learning, and time, together!

In other news this week, children in Years 1-6 took part in Road Safety workshops, led by Road Safety Officers from the Royal Borough of Greenwich. We will ensure children have further opportunities to develop their awareness in the Autumn term.

Attendance

Our attendance this week, as a whole school, is 94.9%, which is much better to see. The class with the highest attendance this week is Year 3 (again), with 99.2%. This is incredible. Well done everyone in Elm Class.

I have heard that there is a football match taking place in the early hours of Monday morning. If you are tuning in to watch, I look forward to a post-match review on the gate, on Monday morning! I wish you a lovely weekend. Very best wishes,

Mr Guy

Dates for your Diary

Monday, 6th July

Year 6 Residential meeting for current Year 5 parents and carers - 3.30pm

Wednesday, 8th July
