

Safer Recruitment Statement

We pride ourselves on being a 'Safer Recruitment' school and all staff are vigilant and focused on upholding this.

The following paragraph is taken from the 'Bichard Inquiry Report' and encapsulates how we approach all recruitment and retention of staff.

“For those agencies whose job it is to protect children and vulnerable people, the harsh reality is that if a sufficiently devious person is determined to seek out opportunities to work their evil, no one can guarantee that they will be stopped. Our task is to make it as difficult as possible for them to succeed...”
